FALL 2020

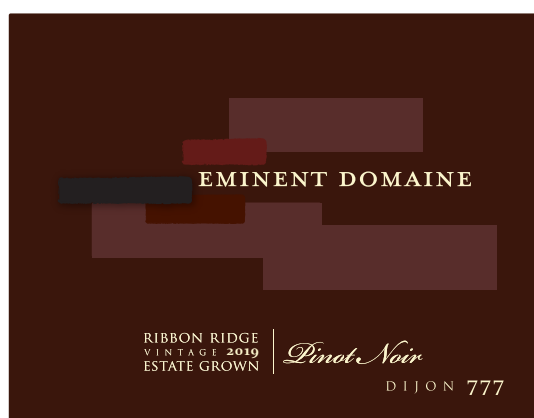

2019 ESTATE | *Pinot Noir*

The Estate bottling continues to be our flagship wine, representing the vines planted from the entry gate on the east side of the property to the vines planted nearest the oak tree on the West side of the property. Three clones are blended including the Pommard, Dijon 115 and Dijon 777. This aromatic bottling is smooth and lush. The palate ranges from cherries to red berry notes. Just bottled September 6th of 2020, we encourage you to cellar this beautiful bottle. Drink late 2021 to 2028.

2019 ESTATE DIJON 777 | *Pinot Noir*

Bright, lively and expressive; the Estate Dijon 777 is bottled by itself because of its distinctive and charming qualities. Beautiful Cherries! While featuring a single clone, it is multidimensional with a textured and rich mouthfeel. This pretty and juicy red fruited pinot noir is an annual favorite and always the first wine to sell out each vintage. Drink 2021 to 2025.

2018 RIDGECREST POMMARD | *Pinot Noir*

This barrel selection features Pommard fruit from the esteemed Ridgecrest Vineyard located directly across the street from our entry. Planted in 1982 by local wine hero, Harry Peterson-Nedry, Ridgecrest was the very first vineyard planted on Ribbon Ridge. The roots run deep and ultimately the wine reflects the beautiful maturity of the vines. It is a rich vibrant ruby color, with aromas of cherry, red raspberry, light vanilla, with earthy components as well. It tastes of cherry liqueur, fig, plum and a mildly spicy mid-palate. Acidic and tight initially, this powerful and structured wine will continue to flourish with time in the bottle. "This is the best wine in terms of age-ability of the vintage" – Drew Voit, winemaker. Drink 2023 to 2030.

2018 WHOLE CLUSTER | *Pinot Noir*

100% Pommard, 50% of which is whole cluster from our Estate Vineyard. We wait longer to release Whole Cluster bottlings to allow the full bodied, spicy, and complex pinot noir time to mellow and smooth out. No new French Oak is used, as the whole cluster shows best without competing with the other woody elements. This is a very expressive wine, and the most aromatic of the four Estate bottlings from 2018. It is deep maroon in color and slightly opaque. Look for red raspberry, cigar box, plum and cedar notes. It is a big, fleshy wine with medium tannins and a long finish. While intense and complex now, you will be rewarded if you can hold it in your cellar for a little longer. Drink 2023 to 2030.
