

## WINE CLUB SELECTION / SPRING 2023

---

The 2021 vintage continues to impress us, and we're excited to share limited-edition bottlings from three unique vineyards. This includes Lichtenwalter Vineyard here on Ribbon Ridge Road, Dukes Family Vineyards in the Eola-Amity AVA and Bieze Vineyard, also in the Eola-Amity AVA.

It's a wonderful way to demonstrate what it means when we talk about "terroir". We hope you'll enjoy exploring how different soils, sites, farming practices and the age of vines adds beauty and variety to the final product.

---

### 2021 Lichtenwalter Vineyard Pinot Noir

\$48 club price per bottle  
(\$60 retail price)

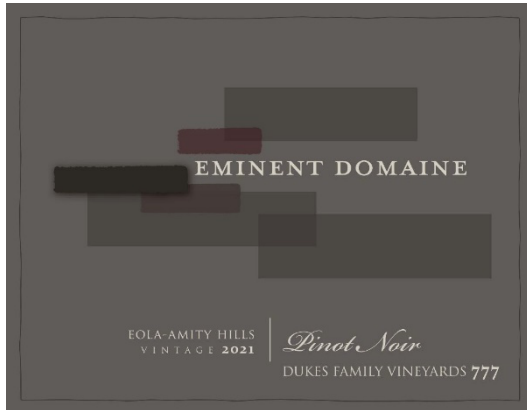

Ribbon Ridge AVA  
Sedimentary Soils  
390 cases produced

The **Lichtenwalter Vineyard Pinot Noir** is beautiful, well-structured and food-friendly. This ruby-colored wine features sweet tobacco notes and orange peel flavors at the back of the palate. Sourced from a vineyard located approximately 2 miles down the road from our Estate tasting room, the Lichtenwalter Vineyard is an excellent representation of the earthy and dark-fruited pinots grown in the Ribbon Ridge AVA. If you intend to enjoy this wine promptly, we recommend decanting it.

## WINE CLUB SELECTION / SPRING 2023

---

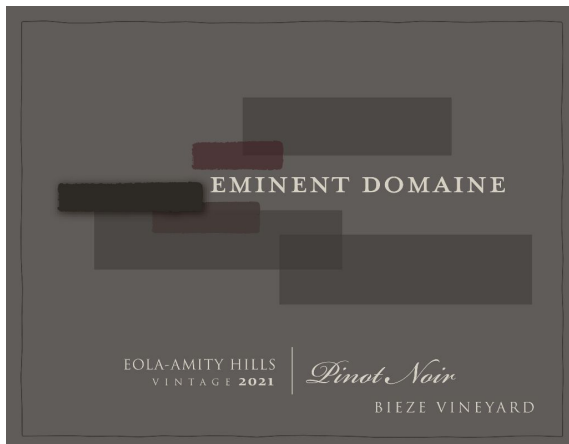

### 2021 Dukes Family Vineyards Dijon 777 Pinot Noir

\$46.40 club price per bottle  
(~~\$58 retail price~~)

Eola-Amity AVA  
Sedimentary Soils  
125 cases produced

The **Dukes Family Vineyards** are located in the versatile Eola-Amity AVA and they are committed to low impact and sustainable farming methodologies. We love featuring the Dijon 777 from other vineyards, as there is a consistently bright and expressive quality to this special clone. This bottling offers a definitive minerality on the nose, with bright acidity and juicy cane fruit on the palate, a hallmark of the Eola-Amity AVA. This vineyard has rocky soils and cool nights, expressed as beautifully intense tannins and a soft finish.

---

### 2021 Bieze Vineyard Pinot Noir

\$46.60 club price per bottle  
(~~\$58 retail price~~)

Eola-Amity AVA  
Sedimentary Soils  
95 cases produced\*

\*Limited quantities. Only included in  
Alchemy & Platinum allocations

**Bieze Vineyard** also receives cool nightly breezes that flow through the Van Duzer Corridor, a break in the Coast Range. This exposure reduces temperatures on hot summer afternoons and allows grapes to develop and retain focused acidity. Look for light-toasted aromas, with layers of blueberry and pomegranate on the midpalate for the **2021 Bieze Vineyard Pinot Noir**. This is a well-balanced and approachable wine. Like the Lichtenwalter, this bottle will show its vibrancy best when decanted.
