\$70 Retail / \$56 Club Wine

Harvested from three of our favorite vineyards, *The Weight* includes fruit from Dukes Family, Malaris Vineyard, and Bieze Vineyard.

Selected barrels were blended to feature rich aromatics and balanced dark berry notes from each site. Look for vanilla and hints of mint on the nose. On the palate, you'll note dark berry, tobacco and a long smooth finish. *The Weight* includes Wadensvil, Dijon 777, Dijon 667, and Pommard clones.

This is a well-balanced and elegant pinot. We encourage you to cellar until at least 2026. 50% new French Oak. Only 150 cases produced.

2021 Estate 115

- Pinot Noir
- Ribbon Ridge AVA
- Marine Sedimentary Soil
- 75 cases produced

\$60 Retail / \$48 Club Wine

This is a very limited edition wine, sourced from the Eminent Domaine Estate Vineyard.

Dijon 115 is typically blended into our Estate bottling to offer structure and bass notes. However, we quickly recognized that this barrel was worthy of standing alone. It exemplifies everything we love, dry with it's structured and spicy notes that define the Dijon 115 clone. Only 75 cases produced.
